Blossom® lace paper doyleys, placemats and tray papers give an elegant finishing touch to table displays and settings, bringing the fresh air of spring to any table.

Made from high quality white paper, Blossom doyleys are fully trimmed and finished. They are supplied in appealing individual designs with sharp, clear patterns to avoid that unwanted 'confetti'.

A comprehensive range of round sizes are available from 9cm, suitable for drinks, up to 42cm, for larger gateaux and patisserie selections.

Oval and rectangular doyleys are also available completing this extensive range. All products are bar coded and offered in clear polythene packs. Most sizes of white doyleys (apart from the very large and very small) are offered 250 per pack and 8 x 250 per case.

Gold doyleys are ideal for occasions which require an extra special hint of elegance. This high quality range will bring out the best in all they touch - guaranteeing an eye catching edge to fine food.

In cases of 10 x 100, they are available in a choice of four sizes from 14cm to 24cm.
