

Aluminium Foil

for the professional caterer

Aluchef Kitchen Quality

An economical, high quality foil for every day use. Aluchef Kitchen Quality foil is ideal for wrapping foods. The dispenser box has a built-in serrated safety edge.

Aluchef Premier Quality - 18% thicker

High quality Premier foil is 18% thicker than kitchen quality foil. Aluchef Premier Quality is ideal for cooking foods where a heavier foil may be required. The hand-held portable dispenser box also has a built-in serrated safety edge.

Aluchef Heavy Duty

Extra thick foil over 50% thicker than kitchen quality foil. Suitable for grilling and other uses where extra strength is required.
